Mark your calendars for the premier Junior Ice Sailing Event of the 07-08 North American Season. Held in conjunction with the DN Western Challenge Cup, on the best available ice in the Western Region.

- Races will alternate between the Ice Optis and DN's, so race techniques can be observed, shared and learned.
- The event is open to sailors 16 and under, and will conclude by noon on Sunday to avoid missed school.

Please contact Event Coordinator, Daniel Hearn at [danielhearn@tds.net](mailto:danielhearn@tds.net) or 608-692-4007 if you are even thinking of bringing the kids, so a Junior "Attending List" can be assembled.

*Required Equipment: helmet, life jacket, spikes*
